EDUCATION

Thaddeus Stevens College Of Technology, Lancaster, PA — Associates Degree

August 2019 - Expected May 2021 GPA: 3.28/4.0

Currently enrolled in college as a Freshmen.

Hempfield High School, Landisville, PA — Diploma

August 2016 - Expected June 2020 GPA: 3.30 /4.0

As well as college I am also dual-enrolled as a Senior in high school.

Lancaster County Career and Technology Center, Mount Joy, PA – Intro to Manufacturing

August 2018 - June 2019 GPA: 3.668/4.0

Skills such as welding, machining and electromechanical were the bulk of my studies in my Junior year of high school.

EXPERIENCE

Bully's Restaurant and Pub, Columbia, PA — Dish Washer

February 2017 - June 2018

Worked with a team to maintain the flow of the restaurant.

PROJECTS

Maze Game Deluxe — JavaScript Video Game

A peer and I created a JavaScript maze game for our midterm. We completed the game in a little under two weeks.

Website Creation — HTML and CSS professional website

I was assigned to create a professional website from scratch. More info about these projects above are on my website at <https://thommond.github.io/My.Work/index.html>
